**Sub :** Immediate Renovation and Facility Improvement of CTI SL Office at BRCP.

Dear Sir,

It has come to our notice that while almost all offices at BRCP station have undergone significant improvements, the condition of the CTI SL office remains in a highly deteriorated state. The present infrastructure is inadequate and does not meet the basic requirements for staff working there.

In this regard, we strongly urge the administration to take immediate action on the following demands:

- 01.**Renovation of CTI SL Office: The office should be renovated on a top-priority basis to provide a decent working environment.
- 02.**Provision of a Proper TTE Waiting Lobby: A dedicated waiting lobby with adequate facilities should be provided for on-duty TTEs who are awaiting their assigned trains.
- 03.**Installation of LED Train Indicator: A LED-based train information display should be installed to assist staff in monitoring real-time train running details.
- 04.**Basic Amenities: Proper washroom facilities and a water cooler should be installed for the convenience of the staff.
- 05.**Air Conditioning Facility: Considering the extreme weather conditions, an air conditioning unit should be provided to ensure a comfortable working environment.

WREU request your kind intervention in addressing these pressing issues at the earliest. The staff at CTI SL perform crucial duties, and providing them with basic amenities is essential for efficient operations.

Action taken may please be advice to union.

Sanjay Pawar.  
Divisional Secretary  
WREU / BRC
