Sub : Request for Posting of a Permanent Doctor at Anand Health Unit.

Respected Sir,

With due respect, we regret to inform you about the ongoing issue of the absence of a permanent doctor at the Anand Railway Health Unit after the departure of Dr. Bharat Naidu. This situation has caused significant inconvenience to the railway employees and their families residing in and around Anand.

The union strongly opposes the appointment of a Contract Medical Practitioner (CMP) as a replacement, as such doctors possess limited administrative authority and are unable to make crucial decisions required to address the health needs of railway employees effectively. Consequently, patients are often referred to the Pratapnagar (PRTN) health facility, leading to unnecessary harassment and delays in medical treatment.

Given the vast population and importance of the Anand region, we urge the administration to prioritize the posting of a regular doctor at the Anand Health Unit. This step will ensure timely and efficient medical care for employees and their families and avoid further grievances.

Union trust that the administration will take prompt action to address this matter in the interest of staff welfare.

Thanking you.

Sanjay Pawar.
