Sub : Grievances of Train Managers working at Godhra Lobby.

Respected Sir,

With due respect, WREU bring to your kind attention several pressing grievances faced by Train Managers working at the GDA Lobby, which require urgent administrative intervention :

- 1. Acute Shortage of Train Managers :** Against a sanctioned cadre of 109, only 51 Train Managers are presently on roll, out of which 5 are likely set to retire soon or transfer. This severe shortage is affecting operational efficiency. WREU request that the vacancies be filled on a priority basis to ensure smooth operations.
- 2. Pending Assessment for Passenger Train Managers :** There are 20 existing vacancies for Passenger Train Managers, but the assessment process has not yet been initiated. Kindly expedite the process to address this critical gap.
- 3.** Train Manager compel to work without LRD & on refusal harass in the name of inquiry.
- 4.** Request to fix working beat of GDA Lobby for Train Managers.
- 5.** Request to post new Train Managers from new panel arriving shortly.
- 6.** In-spite of Good Position of BRCP Lobby Train Managers deputed from GDA Lobby on TAP for BRCP from where many times they book for VTA/SBT in-spite of sending them back to GDA. This is nothing but harassment of Train Manager-GDA.
- 7.** Vacant post of Passenger Train Manager not fill up by administration & utilized goods train manager for passenger train working in-spite of posting regular Passenger Train Manager.
- 8. Always privet sick was found ban :** Union Demand to restrict such practice.
- 9.** Request to stop working of Train Manager-RTM up to GDA only.
- 10.** CRACK Train started from SUNR/DHG may be not break at VTA/SBT & if require to break, crew should be send back to BRC/GDA as TAP.
- 11. Pending Transfer Requests :** Two Train Managers Shri Ramful Meena & Shree Rambhajan Meena both have submitted their willingness for transfer to Palanpur, but the administration has not processed their requests to date. We request immediate action on these transfer applications.

WREU urge you to address these issues of Running staff GDA at the earliest to ensure the welfare of Train Managers and to maintain operational efficiency.
